LILY'S TREASURE HUNT
ON THE SCHYNIGE PLATTE

+ fun puzzles and drawing activities,
and a funny adventure

Hello,
I'm Lily!

Welcome to my home.

I'm so happy you've come to visit me on the Schynige Platte. Up here, there's a fantastic view, beautiful walking paths and an amazing Alpine garden. There'll also be a really cool vantage platform soon.

I love to whizz down the slopes in winter, but summer is my most favourite time of year. Because I can visit my other friends who don't live with me on the Schynige Platte.

That's why I'm going on a trip to Grindelwald, the Jungfrauoch – Top of Europe and the Winteregg. I have an important message to give them myself.

Read my comic to find out exactly what the message is. Of course, the magazine also has lots of puzzles to solve and pictures to colour in.

It's great to have you here.
Have fun discovering my home!

Lily's animal friends

Lily has lots of animal friends. Some of them even live nearby. Others live in a different country. Cross out animals in the list that you've found in the letter picture. Then put a cross next to the animals that aren't native to Switzerland. Have fun searching!

Flying high

Walti the golden eagle loves soaring through the air and seeing far and wide. But the clouds look strange today. It looks like words are hiding in them. The letters are all mixed up. **Can you work out what the words should be?** Write them underneath the clouds.

Solution: Sky, eagle, mouse, peak, holiday, hiking, Alps

Lily's Treasure Hunt

Do you love solving puzzles as much as I do? Great! Because you can go on the exciting treasure hunt trail on the Schynige Platte again this year. And what's more, there are lots of new puzzles to solve.

HOW DOES THE TREASURE HUNT WORK?

On the Schynige Platte, there are **9 treasure hunt posts** along the hiking trail. The start is at the photo point. At each post, you have to **solve a puzzle** in order to find the **correct letters for the solution word**. Write each letter in the box that corresponds to the number of the post on the **'Treasure map'**. You can find this on the next page. The last post is at the Schynige Platte Panorama Restaurant. Once you have found the solution word, you can pick a **treasure item from the treasure chest** and drop your entry form into the **competition box**. By doing so, you will take part in a great prize draw.

If you have any questions, simply ask the Schynige Platte staff. They will be more than happy to help you.

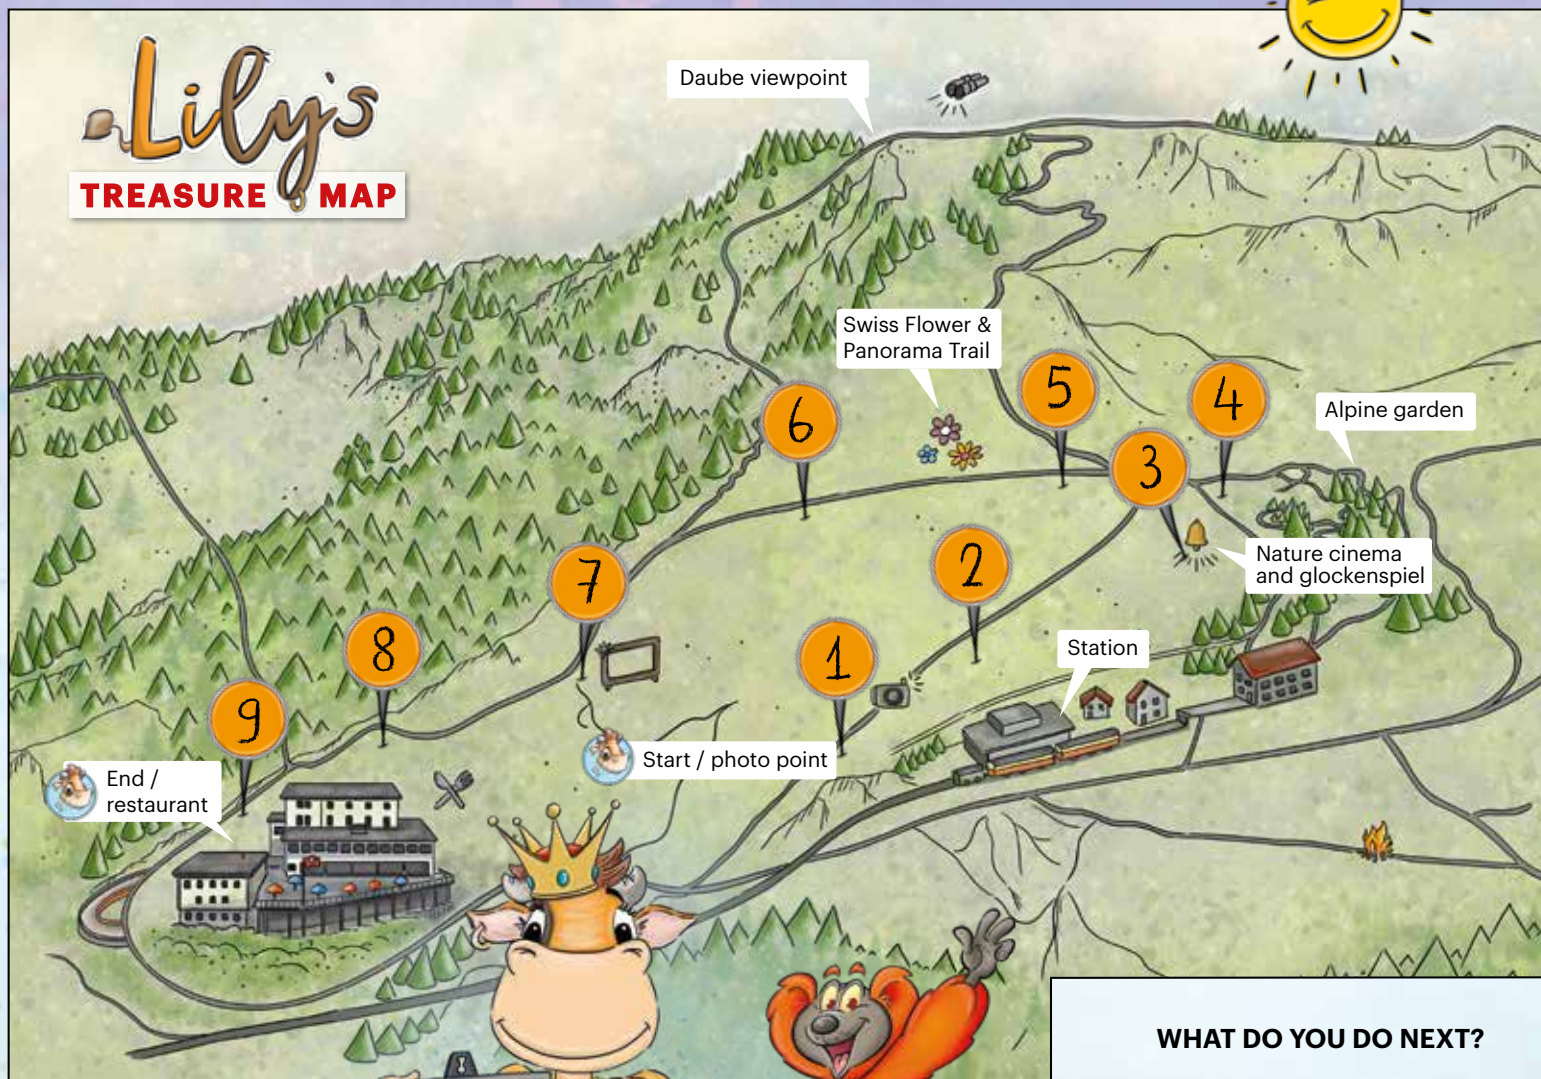

JaMaDu and I wish you lots of fun and success!

Get to know me!

On Lily Family Day, I'll be on the Schynige Platte in person and am really looking forward to meeting you there on 13 September 2025.

Party with a view

Lily is very excited. She already has two things to look forward to this summer.

She's found out that there's going to be a new vantage platform on the Schynige Platte. So exciting!

It's also her birthday soon and she's planning a big party.

She would like to invite her very best friends. Unfortunately, not all of them live with her on the Schynige Platte, like her three best friends Hare, Cat and Bird.

But first, the invitations need to be made.

Her party's theme will be flower power, because Lily loves flowers more than anything else.

I CAN'T WAIT!

Some of her friends live on different mountains. She wants to take her message to them herself.

HELLO MUNGII...

First, she visits Munggi on the Grindelwald-First.

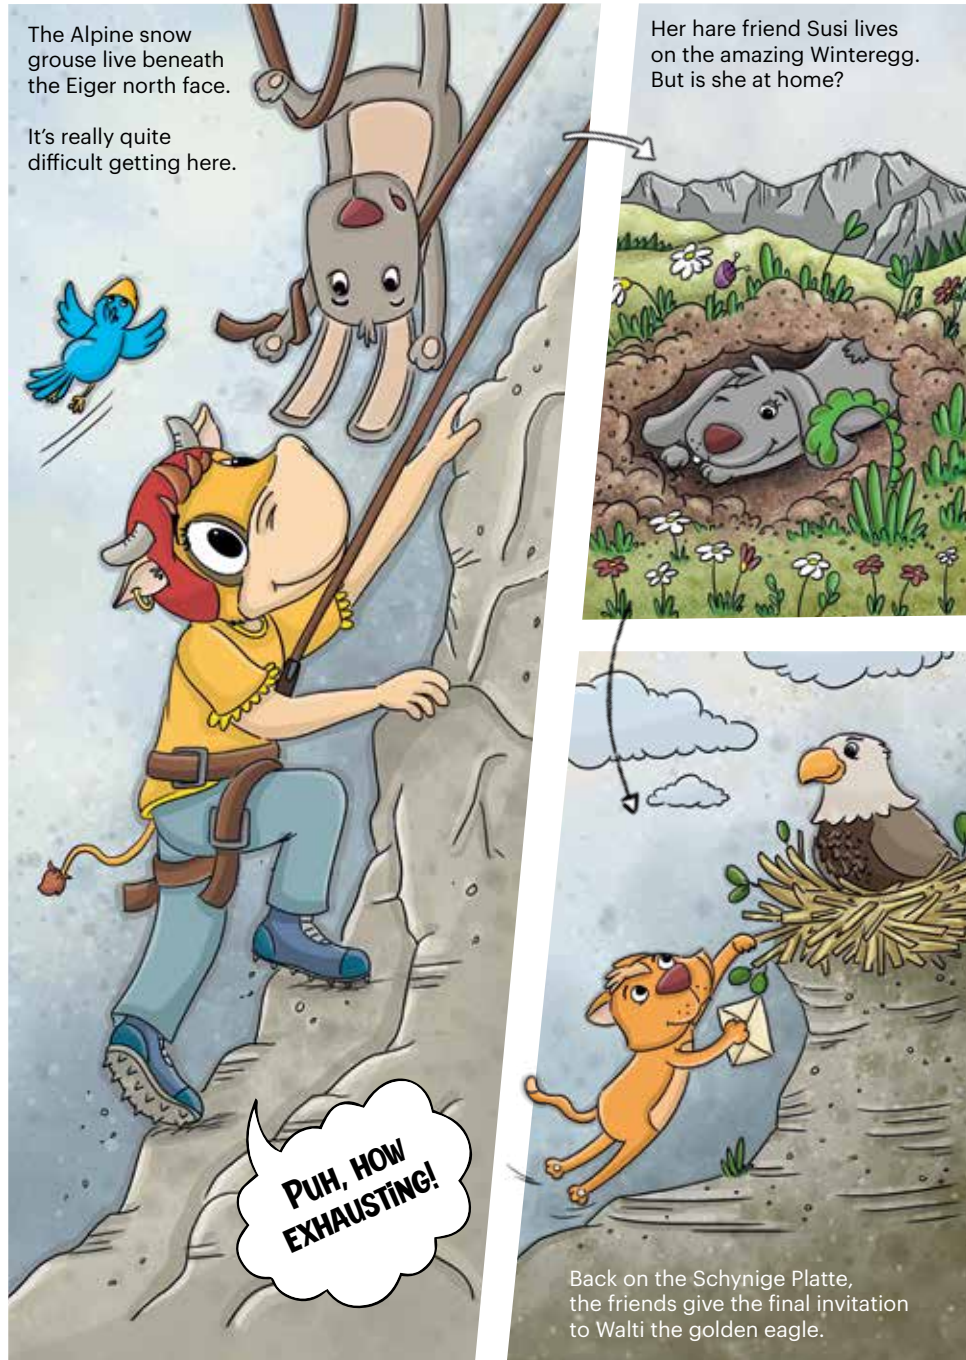

Such a beautiful view she can enjoy from up here! Her chamois and ibex friends also live on Grindelwald-First.

WOW, IT'S SO COOL HERE...

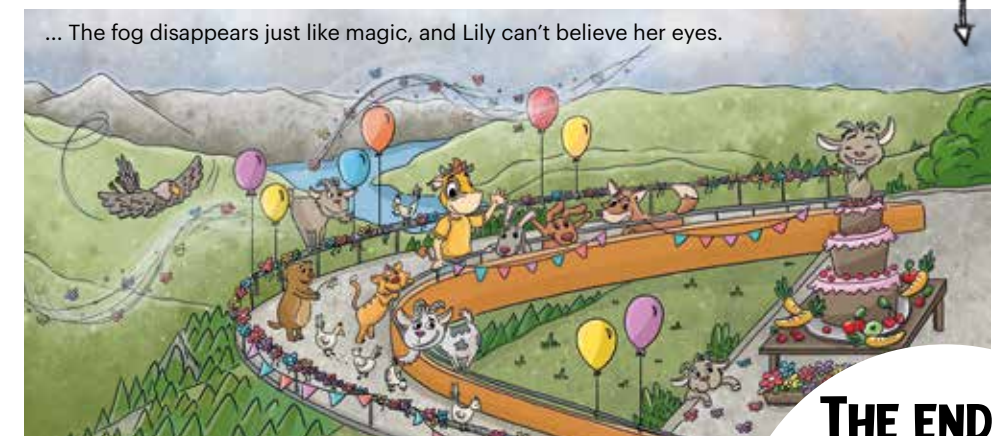

At Bachalpsee, the four friends have a quick break before setting off to see their other friends. Her other friends live across the entire Jungfrau Region.

Her three very best friends, Hare, Cat and Bird, have prepared the party on the new vantage platform – the Schynige Platte Skywalk.

But Lily has forgotten her decorative flowers for the flower power party. When she returns, the whole mountain is covered in thick fog.

THE END

All of her friends are there! They all dance, enjoy the party food and take in the wonderful view from the Skywalk. **Happy birthday Lily!**

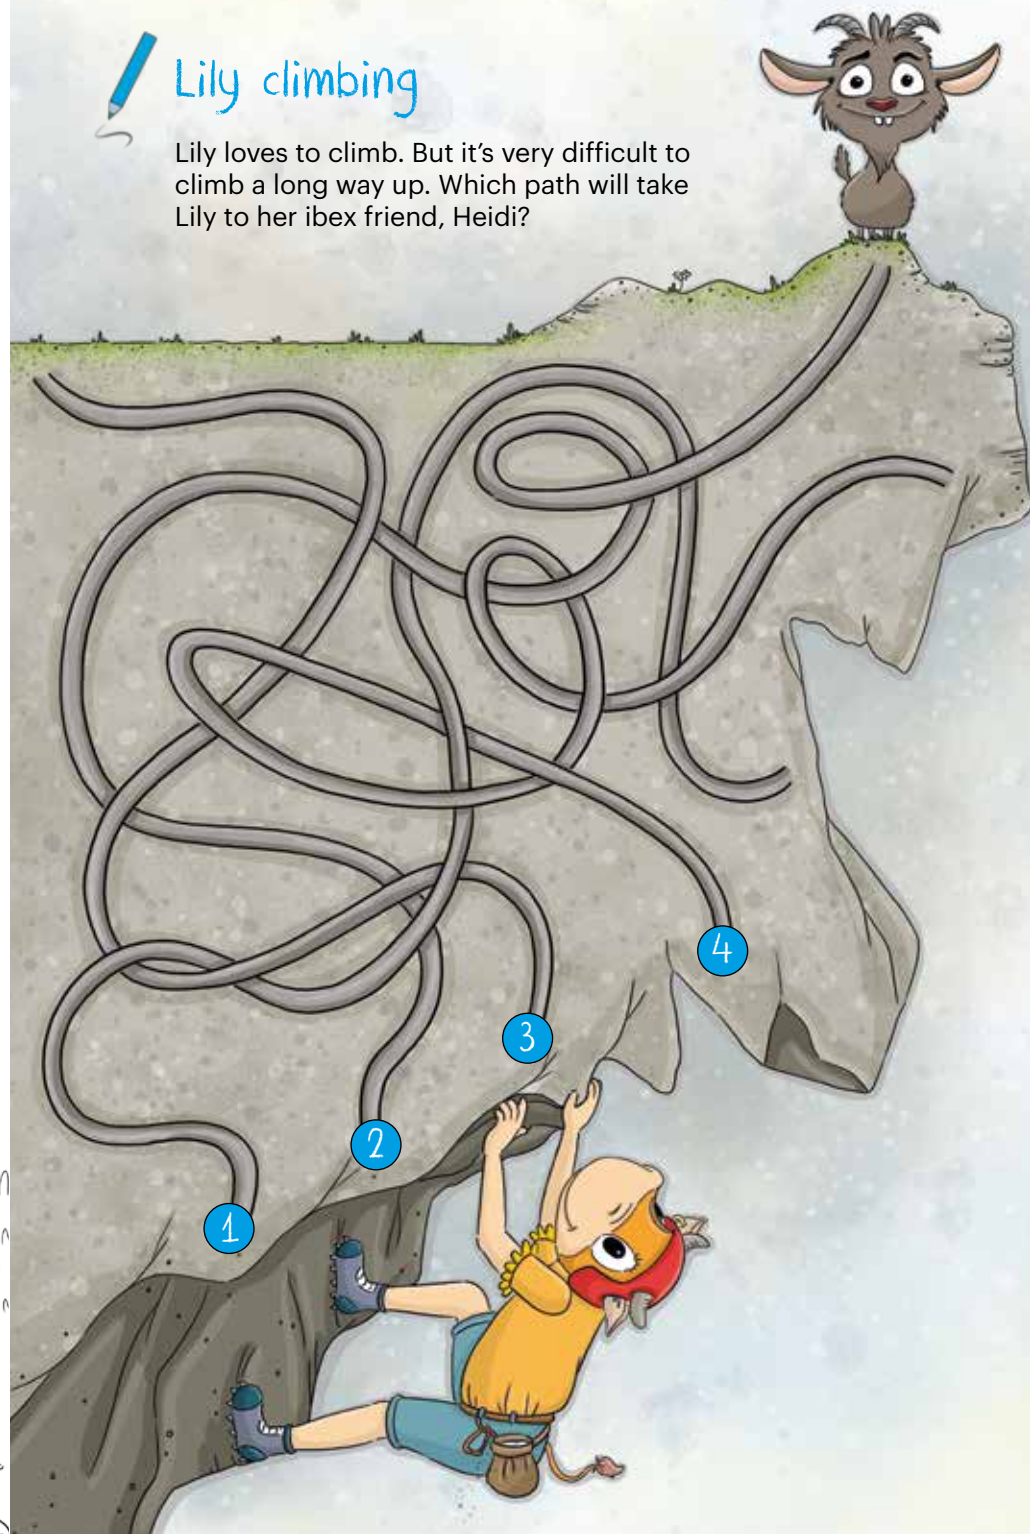

Fox den

Felix the fox hides in his comfy den during the day so he's rested and ready to explore the mountains and forests when it gets dark. Colour in the picture in as many colours as you want. Have fun!

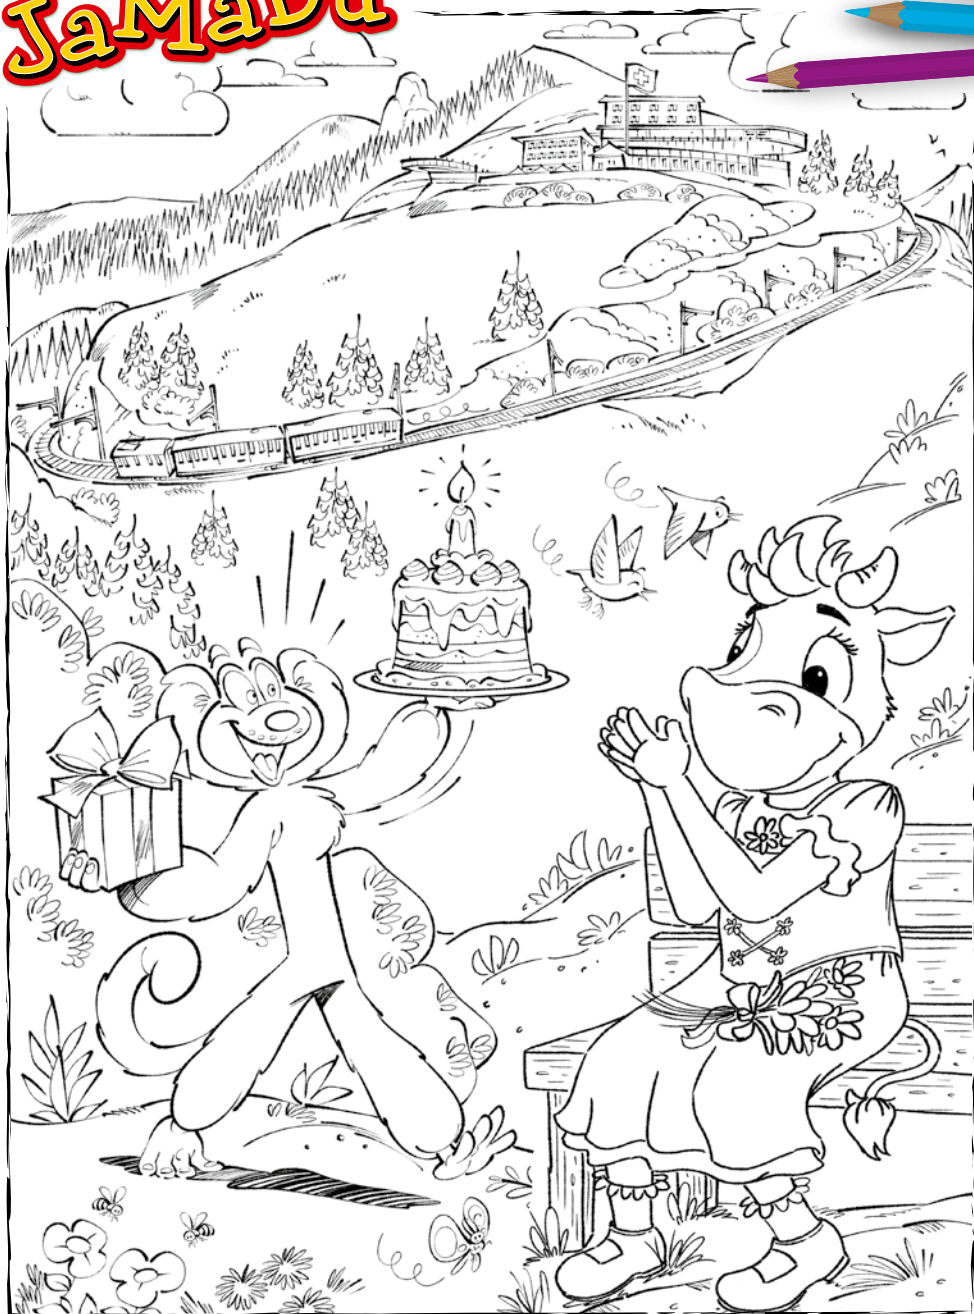

Lily climbing

Lily loves to climb. But it's very difficult to climb a long way up. Which path will take Lily to her ibex friend, Heidi?

Jamadu

Jamadu has a special birthday surprise for Lily.
Colour everything in. Have fun!
